

Region 4 Class Expectations for School Bus Driver Training

- Participants are expected to be present by the time class begins and to return from breaks promptly in order to fulfill the class requirements and reap the full benefits of the course.
- Participants are required to be actively involved at all class sessions.
- Participants must score 80% or better on the post test.
- Participants who are off-task (use of cell phones/texting included) during class will be dismissed for the day and will have to attend a make-up session.
- Participants will not be allowed to attend class if children accompany them to the training. Guests are not allowed to attend class with participants.
- Participants must bring their materials to each training session of the 20-Hour Certification and the 8-hour Re-Certification class(es).
